Accomplished through the compassion mantra of the sugatas,
 Through faith, samadhi, and words of truth, construction of jewels,
 Abode of the Three Jewels beyond the three realms,
 Through the auspiciousness of all collected good qualities
 Of that supreme buddha-field equal to Sukhavati,
 May all negativity and degeneration be ended,
 And bliss and goodness increasing like the waxing moon,
 May it be auspicious to enjoy the glory of perfection.

*The Concise Essence Sutra Ritual of Bhagavan Medicine
 Buddha called
 The Wish-Fulfilling Jewel*

NAMO GURU MUNINDRAYA

The river of merely hearing your names
 Makes even Avici's hell-fires cool as a lotus pond.
 Protectors in degenerate times, seven sugatas
 And head of the Shakyas, to your feet I bow.

Distracted by activities of varying importance,
 To benefit myself and those with faith in the life stories
 Of the seven buddhas for degenerate times,
 I'll condense the ambrosia sutra ritual to its molten essence.

*Because of the infallibility of Arya Buddha's proclamation that the power and blessings
 of the Medicine Buddhas are greater and swifter in degenerate times, we accept it.
 Having already made preparations as described in the sutra ritual, one who wishes to
 perform this quintessential ritual for invoking the heart commitment of the protectors
 during degenerate times, the seven sugatas, should recite as follows, fully infusing the
 mind with refuge and bodhicitta:*

Refuge and *Bodhicitta*

Nature incorporating the entire body, speech, mind, qualities, and activity of all the tathagatas of the ten directions and three times, source of eighty-four thousand collections of Dharmas, lord of all arya Sangha, I seek refuge in the kind and glorious holy root and lineage gurus. I seek refuge in the completely enlightened lord buddhas. I seek refuge in the holy Dharma. I seek refuge in the eight brothers gone to bliss, the lord Medicine Buddhas with their hosts of retinue deities. I seek refuge in the glorious holy protectors, Dharma protector guardians endowed with the wisdom eye. (3x)

I go for refuge until I am enlightened
To the Buddha, the Dharma, and the Supreme Assembly.
By my merit of giving and other perfections
May I become a buddha to benefit all sentient beings. (3x)

The Four Immeasurables

All sentient beings who, although self and all appearances are dharmadhātu by nature, have not realized it thus, I shall endow with happiness and the causes for happiness, I shall separate from suffering and the causes of suffering, I shall make inseparable from happiness without suffering, and I shall set in equanimity, the cause of well-being, free from attachment, aversion, and partiality. (3x)

The Power of Truth

Through the power of the supreme truth of the buddhas' and bodhisattvas' blessings,
The might of the two collections, and the purity of the dharmadhātu,
May this realm's beings and environment be enriched like Sukhavati
With all the desirable perfections of both samsara and nirvana.

Offerings

Jeweled ground adorned with trees and with ponds
Whose bottoms are covered with gold, silver, and pearl dust;
Flowers strewn and sandalwood fragrance rising;
Human and divine enjoyments: Samantabhadra's offerings everywhere.

To Mumintra, moon of expounders, I prostrate.

Manjushri and great abbot Shantraraktshita,
Trisong Detsen, Atsha father and sons,
Second conqueror Losang Dragma, and so on:
Through the auspiciousness of all collected good qualities
Of the supreme root and lineage gurus,
May all negativity and degeneration be ended,
And bliss and goodness increasing like the waxing moon,
May it be auspicious to enjoy the glory of perfection.

Accomplishing a supreme ocean of prayers invoking truth
During the teachings' decline for protectorless beings
Who were untamed by other sun-like conquerors,
Through the auspiciousness of all collected good qualities
Of those seven sugatas, protectors during degenerate times,
May all negativity and degeneration be ended,
And bliss and goodness increasing like a waxing moon,
May it be auspicious to enjoy the glory of perfection.

Arising well from the broad lotus-like tongue
Of the lord of the able ones,
Especially exalted even in the later days of the Shakyas' teachings
Such that, if performed, one gains
The essence of immortality's ambrosia:
Through the auspiciousness of all collected good qualities
Of that king of the vast and profound sutra pitaka,
May all negativity and degeneration be ended,
And bliss and goodness increasing like the waxing moon,
May it be auspicious to enjoy the glory of perfection.

Through the auspiciousness of all collected good qualities
Of those children of the lineage performing the sutra ritual
By simply reciting the names of the kings of doctors
Of all realms' ten directions
And through the especially extensive prayers of the teacher Buddha
and the sugatas,
May all negativity and degeneration be ended,
And bliss and goodness increasing like the waxing moon,
May it be auspicious to enjoy the glory of perfection.

That did not fulfill the arya's wishes,
Please be patient with these as well.

Under the influence of miserliness, lacking in skill,
Having made bad offerings or faulty arrangements,
O protector endowed with great compassion,
Please be patient with these as well.

Whatever was superfluous or left undone,
Degeneration in parts of the ritual,
Or whatever was forgotten,
Please be patient with these as well.

By remaining here together with this image
For the sake of all migrants,
May you grant us long life without illness,
Power, and supreme attainment.

OM SUPRATISHTA VAJRABE SVAHA

Just as the brave Manjushri and Samantabhadra, too,
Realized things as they are,
I too dedicate all these merits in the best way,
That I may follow their perfect example.
I dedicate all these roots of virtue
With the dedication praised as the best
By the victorious ones thus gone of the three times,
So I might perform good works.

The hosts of Medicine Buddha deities
Pervading all directions of the round of space with perfection -
Some raining down multicolored lotuses,
Some singing songs requesting goodness,
Some acting to conquer maras and obstructers,
And all bestowing on you supreme good fortune:
Know this full well and be very joyful
And I shall voice sweet melody expressing auspiciousness.

Supreme teacher of humans and gods,
Touching my crown to your feet of jeweled moonlight
Grants the glory of good fortune of kumuda flowers' blossoming;

There, in the center of a charming jeweled palace
On lotuses and lion thrones, buddhas and bodhisattvas abide.
May [everywhere] be filled with oceans of clouds of offerings, which
they enjoy,

Born through the force of mantra, samadhi, and aspiration.

Invocation

Compassionate protectors in degenerate times, seven sugatas,
Buddha Shakyamuni, holy Dharma, bodhisattvas, and guardians,
Invited as the support and protector refuge to protect others and
myself:
May you come here, gather, and grant your blessings.

Prostrations

Root guru whose kindness is without equal,
King of the Shakyas, Manjushri, Shantarakshita, and so on,
Holding in their hands this profound sutra:
To the direct and lineage gurus, I prostrate.

To the compassionate ones who liberate destitute beings -
Seven sugatas, Buddha Shakyamuni, and holy Dharma,
Manjushri, Kyab Dröl, Vairapani, Brahma and Ishvara,
And the maharajas and yakshas - I prostrate.

Offering

I make every collection of offerings, actually arranged and emanated
Through the force of mantra, samadhi, and aspiration.
I confess all downfalls and negativities,
Rejoice in virtues, request and beseech,
And dedicate such virtues as these to the great enlightenment.

Beseeching

Great bhagavan assembly, pray listen!
Seven sugatas, just as you promised,
Your previous prayers will be fulfilled
During the final period of Shakyamuni's teachings:
Pray, show me in actuality it is true!

Through the force of mantra, samadhi, and aspiration.
I confess all downfalls and negativities,
Rejoice in virtues, request and beseech,
And dedicate such virtues as these to the great enlightenment.

Pray, bless us and all beings who lack a protector
To receive here immediately, without exception,
The benefits as taught by the supreme teacher
In the extensive sutra ritual of Medicine Buddha.

Supreme lamp dispelling the darkness of ignorance,
Foremost of medicines alleviating suffering and disease,
To the entire sublime jewel of Dharma,
I prostrate, offer, and go for refuge. (3x)

I make every collection of offerings, actually arranged and emanated
Through the force of mantra, samadhi, and aspiration.

I confess all downfalls and negativities,
Rejoice in virtues, request and beseech,
And dedicate such virtues as these to the great enlightenment.

Through the blessings of the truth of the holy Dharma jewel
May I and all others, henceforth in all our lives,
Practice the Buddha's teachings in their entirety
Exactly as the buddhas intended.

The conquerors' heart commitments were invoked
By thirty-six thousand sons of sugatas,
Including Manjushti, Kyab Dröl, and Vajrapani.
Thus requested, they proclaimed this sutra's benefits.
Pray, manifest all of them for me here and now.

And to the worldly protector yaksha leaders as well,
As you promised to do before previous teachers -
To stop enemies, harmers, and epidemics,
Pacify all conflict, and increase physical and mental bliss,
Increase wealth, power, property, crops, and life span -
Accomplish these desired goals as we wish
And always protect us without break.

And when we pass away from this life,
May we be born from a lotus in that buddha-field, qualities complete,
Become a vessel for transmitting the teachings of conquerors,
Such as Renowned Glorious King of Excellent Signs, and cause them
delight.
